Was wird Dir bei Internet Einstellungen angezeigt?

Hier sollte die Laufdauer von Deinem Ticket angezeigt werden und natürlich, dass Deine Login-Daten stimmen.

The image shows a screenshot of a web form titled "MyTrainz Account:". At the top right of the form is a button labeled "Create Account". Below this, there are two input fields: "Username:" with the text "jofi" entered, and "Password:" with a masked password represented by "*****". Below the password field, a message reads "MyTrainz login succeeded, username and password are correct." At the bottom of the form, there is a section labeled "First Class Ticket Status:" which is currently empty.
